Thank you for considering our HomeCare Package.

Hello,

Thank you for enquiring about our HomeCare Package. This is what you need to know.

- ✓ **Payments are divided into easy to manage 12 monthly instalments by Direct Debit.**
- ✓ **We will install a device to monitor your fuel level so you never have to worry about running out of heating oil**
- ✓ **You will receive a FREE upgrade from standard to premium heating oil**
- ✓ **You will receive a FREE annual boiler service by an OFTEC registered engineer**
- ✓ **We will deliver larger quantities to reduce your prices and carbon footprint.**

What happens if I want to leave?

If for whatever reason you wish to leave within the first 12 months then you will be required to cover the cost of your Tank Monitoring Device which is **£350 plus VAT**. After 12 months you can choose to leave with no exit fees.

Fuel Smart Reader

Our Fuel Smart Reader is only available if 2G network coverage is available, we will check the network coverage prior to installation, if you are unable to receive a 2G signal then we will suggest an alternative. You are required to change the batteries every 12 months or for a small call out fee we can do this for you.

To apply simply complete the accompanying questionnaire and email back to:
